

# BHARATH M

## Full Stack Developer

9345443519 | bharathmayan4454@gmail.com | Madurai, Tamil Nadu, India

### PROFESSIONAL SUMMARY

Full Stack Developer with 2+ years of experience in designing, developing, and maintaining scalable web applications and enterprise solutions. Skilled in Angular, Node.js, TypeScript, PostgreSQL, REST API development, and modern frontend technologies. Experienced in building responsive user interfaces, optimizing database performance, developing backend services, and delivering high-quality software solutions. Strong problem-solving abilities with a passion for continuous learning and creating efficient, user-focused applications.

### TECHNICAL SKILLS

|          |                                                            |
|----------|------------------------------------------------------------|
| Frontend | Angular, Typescript, HTML5, CSS3, Tailwind CSS, JavaScript |
| Backend  | Node.js, Typescript, Express.js, REST API Development      |
| Database | PostgreSQL, SQL                                            |
| Tools    | Git, GitHub, Swagger API Documentation                     |

### WORK EXPERIENCE

#### FullStackDeveloper—SchoolChimes

2+ Years | Madurai, Tamil Nadu, India

- Developed and maintained SchoolChimes Web and Web App, a communication platform connecting teachers, parents, and school management.
- Designed and implemented responsive user interfaces using Angular and TypeScript.
- Developed and maintained backend services and RESTful APIs using Node.js.
- Optimized PostgreSQL database queries to improve application performance and scalability.
- Identified and resolved application issues including crashes, navigation problems, UI inconsistencies, and data-related issues.
- Collaborated with cross-functional teams to enhance system stability and user experience.
- Contributed significantly to the migration of the SchoolChimes Mobile Application from v10 to v20.12.2.
- Led backend development activities during migration, ensuring seamless integration and system reliability.
- Improved database operations and backend performance, resulting in a smooth transition and enhanced user experience.

### PROJECTS

#### SchoolChimes Web & Web App

Technologies: Angular, Node.js, PostgreSQL

- Developed enterprise-grade communication software connecting teachers, parents, and school administrators.
- Built scalable frontend and backend modules.
- Improved application stability through performance optimization and issue resolution.

#### SchoolChimes Mobile App Migration

Technologies: Node.js, PostgreSQL

- Contributed to the migration and modernization of the mobile application platform.
- Optimized backend services and database operations.

- Ensured high availability, reliability, and performance during migration.

EDUCATION

|                                                    |                  |
|----------------------------------------------------|------------------|
| <b>BCA — Bachelor of Computer Applications</b>     | CGPA: 7.5   2023 |
| Pasumpon Muthuramalinga Devar College, Usilampatti |                  |
| <b>12th Standard</b>                               | 63.33%   2020    |
| GovernmentHigher Secondary School, Usilampatti     |                  |
| <b>10th Standard</b>                               | 85%   2018       |
| GovernmentHighSchool, Usilampatti                  |                  |
